

Join us for the 2023 Wisconsin Registry PDAS Summit! The theme of the 2023 PDAS Summit is Setting Course for a Productive Learning Environment. This year's Summit will explore how to create a welcoming, engaging, nurturing, and supportive learning environment in today's climate.

The morning will focus on a welcoming and engaging learning environment, starting with a presentation from Susy Willard Curry. After a short break, Susy will lead a welcoming and engaging activity.

After lunch, we will turn our focus to a nurturing and supportive learning environment with Delechia Johnson delivering a presentation before leading an activity.

Registration closes on Thursday, September 14 so sign up today! The cost of the 2023 PDAS Summit is \$45. Breakfast, lunch, and snacks will be provided!

As always, participants will be able receive raffle tickets throughout the day for a chance to win some great prizes!
