

TA Professional Mentor Application and Commitment

This form is intended for Advanced Technical Assistance (TA) Professionals interested in becoming a mentor for new TA Professionals. Please note that if you also wish to be a mentor for new Trainers, this requires a separate Trainer Mentor Application and Commitment form.

TA Professional Mentor Application

Candidate Name:

Describe your interest in becoming a mentor for new TA Professionals (minimum of one paragraph and specific to working with TA Professionals, not Trainers):

TA Professional Mentor Commitment

As a mentor, I agree to:

- ☐ Ensure that the information on my TA Professional Profile remains current.
- ☐ Have my contact information publicly listed on the TA Professional Directory.
- ☐ Maintain an active and current Registry Membership.
- ☐ Allow new TA Professionals interested in mentorship to contact me.
- ☐ Attend the yearly PDAS Summit, as available.
- ☐ Stay updated on the WI Registry's Professional Development Approval System and Training Solutions newsletters.
